STAR TERMOS

Star Termos is a thermos manufacturer established in Istanbul with 28 years of industry experience and more than 10 years of thermos production experience. Since its establishment, Star Termos aims to meet the needs of its customers and ensure their satisfaction by producing high quality and durable thermos.

Star Termos manufactures a wide range of thermoses in its production facilities, using the latest technologies and materials with its advanced R&D team. Star Termos offers glass thermoses, steel thermoses, HoReCa group thermoses, outdoor thermoses, thermos cups, double-decker mugs and many more.

Star Termos is sensitive to the fact that the thermoses it produces have the ability to preserve hot and cold beverages for a long time. Star Termos produces its thermoses using the highest quality raw materials. In this way, Star Termos thermoses can keep hot drinks hot for up to 12 hours and cold drinks cold for up to 24 hours.

Star Termos designs its thermoses for both individual use and professional use. Star Termos products are available in production models starting with 250 ml and up to 8 LT capacity, for individual use, it produces thermoses that can be used in daily life. For professional use, it produces thermoses for camping, picnics, outdoor activities and industrial use.

Star Termos exports its thermos flasks to many countries around the world as well as Turkey. Star Termos is known for its high quality and aesthetic model thermos flasks in foreign markets.

OUR VISION

As Star Termos, we strive to provide the best service to our customers with our global and local quality. We aim to make people's lives more comfortable and enjoyable with our products and services.

OUR MISSION

As Star Termos, we are committed to providing our customers with reliable and long-lasting products by producing high quality and durable glass thermoses and thermos groups. We are constantly innovating to meet the needs and expectations of people with our products. "In short, we want to be in At any moment of your life..."
